

Past Projects

Year	Client & Project Name	Nature	Project Description	Duration	Value	Value (annual)	Contact	Contact Details
2017	Mondi: Richards Bay - Hard Wood 3 Upgrade	Project	Wood Yard Upgrade	6 months	R10m	R89.4m	Kate Stead	082 668 7674
2017	Hosaf - Expansion Project	Upgrade & Shutdown	Piping (C/S & S/S) fabrication & installation, Structural Steel fabrication & erection and Mechanical removal and installation	1 year	R60m		Jannie Geldenhys	079 793 4937
2017	Mondi - Richards Bay	Shutdown	Ducting fabrication and installation	1 week	R700K		Billy Strachan	082 677 0363
2017	Illovo: Glendale - Loading Gantry	Project	Fabrication and Erection of Loading Gantry	1 week	R750K		Marlin De Gee	083 301 0644
2017	Valmet AB - Mondi: Richards Bay Dregs Upgarde	Project	Piping	2 months	R3m		Rithen Dhanraj	083 329 2514
2017	Mondi: Richards Bay - O2 Delignification Upgrade	Upgrade & Shutdown	Piping fabrication & installation, Structural Steel fabrication & erection and Mechanical removal and installation	6 months	R15m		Lourens Basson	072 313 0678
2018	Mondi: Richards Bay - ON6, Backflow & Cross Flow	Upgrade & Shutdown	Piping fabrication & installation, Structural Steel fabrication & erection and Mechanical removal and installation	3 months	R6m	R23.8m	Lourens Basson	072 313 0678
2018	Mondi: Richards Bay - Annual Shut 2018	Shutdown	Fabrication and Installaiton of Carbon Steel and Stainless Steel tie-ins and replacement of Carbon Steel tank with Stainless Steel	1 month	R8m		Lourens Basson	072 313 0678
2018	KZN Resins - New Reactor Piping & Platform	Upgrade & Shutdown	Fabrication and Installation of Dump & Balance Loop Piping and Platforms	1 month	R200K		Gabriel Chetty	076 495 5401
2018	Mondi: Richards Bay - HD Tower Structural Steel Replacement	Upgrade	Fabrication and Installation of Structural Steel Platforms and Handrailing	1 month	R650K		Lourens Basson	072 313 0678
2018	Cooling Towers Rehabilitation	Upgrade	Demolition of existing and fabrication and installation of support steelwork	3 months	R3m		Collin van Vuuren	082 809 0366
2018	Mondi: Richards Bay - OF7 Line Upgrade	Upgrade & Shutdown	Installation of new line including pipe bridge and supports	2 months	R4m		Lourens Basson	072 313 0678
2018	Mondi: Richards Bay - Bark Conveyor	Upgrade & Shutdown	Demolition of existing and fabrication and installation of new conveyor including mechanicals	1 month	R2m		Tsepho Zengeni	082 381 2969
2018	Mondi: Richards Bay - Double Wash	Upgrade & Shutdown	Supply and installation of piping, structural steel and installation of mechanical equipment	4 months	R12m	R38m	Lourens Basson	072 313 0678
2019	Mondi: Richards Bay - Blow Tank 3 top section replacement	Upgrade & Shutdown	Supply and installation of Blow Tank (Pressure Vessel) Top Section including Blow Lines	2 months	R4m		Lourens Basson	072 313 0678
2019	Mondi: Richards Bay - Shuttle Conveyor replacement	Upgrade & Shutdown	Supply and installation of Shuttle Conveyor including mechanical items	2 months	R1.5m		Lourens Basson	072 313 0678
2019	Mondi: Richards Bay - Annual Shut 2019	Shutdown	Various shut down activities including: Replacement of Heat Exchangers, Mechanical Equipment, Piping Modifications and Valve Replacements.	2 weeks	R10m		Lourens Basson	072 313 0678

Year	Client & Project Name	Nature	Project Description	Duration	Value	Value (annual)	Contact	Contact Details
2019	Mondi: Richards Bay - Bleach Plant Demolition	Project	Demoliiton of support steelwork on Bleach Reactors	2 months	R4m		Collin van Vurren	082 809 0366
2019	Mondi: Richards Bay - Hood Repairs	Project	Refurbishment to the paper machine Hood	1 months	R1m		Collin van Vurren	082 809 0366
2019	Mondi: Richards Bay - Replacement of HD3,4,5 & 6 Supports	Project	Removal of existing steelwork and instalaliton of new	1 months	R2m		Collin van Vurren	082 809 0366
2019	Sappi: Saiccor - Vulindlela Project - Bleach 3 Upgrade	Project	Installation of mechanical equipment, piping and structural steel	1 months	R3.5m		Chester Bernard	084 405 4212
2020	Sappi: Saiccor - Vulindlela Project - Bleach 4 Upgrade	Project	Installation of mechanical equipment, piping and structural steel	1 months	R2.5m	R72.5m	Chester Bernard	084 405 4212
2020	Mondi Richards Bay AS2020	Shutdown	Various shut down activities including: Replacement of Mechanical Equipment, Piping Modifications, Ducting Supply & Installation and Valve Replacements.	2 weeks	R15m		Lourens Basson	072 313 0678
2020	Christoff Industries - Sappi Vulindlela	Poject	Fabrication of Piping, Structural Steel and Supports	3 months	R8m		Stephen Trickett	082 447 9980
2020	NCP Alcohols - Maize Conversion & Capacity Increase Project	Poject	Installation of mechanical equipment, piping and structural steel	9 months	R60m		Hugo van Schalkwyk	083 655 9313
2021	Mondi Merebank - Steam Upgrade	Poject	Installation of new steam piping including supports and tie-ins	1 month	R2m	R143m	Daoud Amojee	084 444 4786
2021	Mondi Richards Bay AS2021	Shutdown	Various shut down activities including: Replacement of Mechanical Equipment, Piping Modifications, Chip Chute Supply & Installation and Valve Replacements.	2 months	R20m		Lourens Basson	072 313 0678
2021	Sappi Umkomaas - Vulindlela Project	Poject	Installation of mechanical equipment, piping and structural steel: a. Tank Farm b. Digester c. Bleach 4	8 months	R70m		Andrea Rossi / Louis van der Walt	082 876 2432 / 065 264 1860
2021	NCP Alcohols - Dehydration Project	Poject	Installation of mechanical equipment, piping and structural steel	3 months	R10m		Hugo van Schalkwyk	083 655 9313
2021	Isegen - PHT Plant Relocation and Demolition of Existing Structure	Poject	Removal of existing equipment and demolition of piping and structural steel	4 months	R13m		Amith Siebalak	082 454 0943
2021	Mondi Richards Bay - Ecolean: Electrolyser Project	Poject	Electrolyser Plant Upgrade including: removal of all equipment, demoliton of existing steel structure, instalalton of new GRP structure and installtion of equipment	2 months	R13m		Clinton Govender	083 297 5767
2021	Illovo Eston - Molasses Storage Facility Project	Poject	Piping, Strucutural Steel and Mechanical Works a. Procurement b. Fabrication c. Installation	2 months	R15m		Sarel du Toit	079 496 6535
2022	NCP Alcohols - Receiver Piping	Poject	Piping, Strucutural Steel and Mechanical Works a. Procurement b. Fabrication c. Installation	2 months	R2m	R35.5m	Hugo van Schalkwyk	083 655 9313
2022	Sivest - Gledhow Sugar Company	Poject	Silo Repair	1 month	R1.5m		Hugo van Schalkwyk	083 655 9313
2022	Mondi Merebank - Desuperheater Piping	Poject	Piping, Strucutural Steel and Mechanical Works a. Procurement b. Fabrication c. Installation	1 month	R2m		Daoud Amojee	084 444 4786

Year	Client & Project Name	Nature	Project Description	Duration	Value	Value (annual)	Contact	Contact Details
2022	CSCEC - Topwell Organic Pigment Plant	Project	Piping and Structural Steel a. Fabrication b. Installation	4 months	R25m		Chen Chuan	074 691 9703
2022	Sappi Stager - Hydroforming Project	Project	Piping, Strucutural Steel and Mechanical Works a. Procurement b. Fabrication c. Installation	2 months	R5m		Hugo van Schalkwyk	083 655 9313
2023	Mondi Richards Bay AS2023	Shutdown	Various shut down activities including: Replacement of Mechanical Equipment, Piping Modifications, Flow Meter Installations and Valve Replacements.	1 month	R15m	R66m	Lourens Basson	072 313 0678
2023	Mondi Merebank - Deculator Roof Repairs	Project	Structural Steelwork a. Fabrication b. Demolition of corroded steelwork c. Installation of fabricated steelwork	2 months	R3m		Daoud Amojee	084 444 4786
2023	Mondi Merebank - Prorelease Ducting	Project & Shutdown	Ducting and Structural Steelwork a. Procurement b. Fabrication of ducting, supports and structural steel c. Instalaltion including mechanical equipment	2 months	R5m		Daoud Amojee	084 444 4786
2023	Talbot - Illovo Kilombero Water Treatment Works	Project	Piping and Structural Steel a. Fabrication	2 months	R3m		Kieran Govender	065 997 7391
2023	Illovo Eston - Reheater Replacement	Project & Shutdown	Fabrication and installation of Reheater, Structural Steel, Supports, Piping and Mechanical Equipment. Civils works including piling.	5 months	R30m		Mark Joseph	076 318 3777
2024	NCT - Fire Rebuild Project: Phase 1B and Phase 2	Project	Fabrication and installation of Reheater, Structural Steel, Supports, Piping and Mechanical Equipment. Civils works including piling.	5 months	R59m	R125m	Travis Swanepoel	084 849 6408
2024	Sivest - Colgate Upgrade Project	Project & Shutdown	Piping, Strucutural Steel and Mechanical Works a. Procurement b. Fabrication c. Installation d. Project Management	2 months	R5m		Hugo van Schalkwyk	083 655 9313
2024	Talbot - Alpla Water Treatment Works	Project	Piping, Strucutural Steel and Mechanical Works a. Procurement b. Fabrication c. Installation	3 months	R5m		Kieran Govender	065 997 7391
2024	Mondi Richards Bay AS2024	Shutdown	Various shut down activities including: Replacement of Mechanical Equipment, Piping Modifications, Replacement of piping in-line items, Conveying equipment replacement and maintenance.	1 month	R12m		Ashiveer Maharaj	082 843 8328
2024	Mpact - Mkhondo: PMU Upgrade	Project & Shutdown	Piping, Strucutural Steel and Mechanical Works a. Procurement b. Fabrication c. Installation d. Project Management	6 months	R38.5m		Brian Smith	082 805 2336

Year	Client & Project Name	Nature	Project Description	Duration	Value	Value (annual)	Contact	Contact Details
2024	Zambia Sugar (Illovo) - Evaporator Upgrade	Project & Shutdown	Piping, Strucutural Steel and Mechanical Works a. Procurement b. Fabrication c. Installation d. Project Management	6 months	R69.7m		Gernot Canto / Steven Roux	082 775 7178 / 082 440 3442
2025	Mondi Richards Bay AS2025	Shutdown	Various shut down activities including: Replacement of Mechanical Equipment, Piping Modifications, Replacement of piping in-line items, Conveying equipment replacement and maintenance.	1 month	R17m	R33m	Ashiveer Maharaj / Ipeleng Malope / Ashely Windwaai	082 843 8328 / 072 837 3217 / 065 634 7796
2025	Mondi Richards Bay - Soft Wood Blow Line Replacement / HW Stacker Rail Replacement / HW Cleaning Upgrade	Project & Shutdown	Piping, Strucutural Steel and Mechanical Works a. Procurement b. Fabrication c. Installation	2 months	R10m		Ryan Houston / Corne Cronje	071 480 0949 / 0082 257 2031
2025	Talbot - Evander WWTP	Project	Piping, Strucutural Steel and Mechanical Works a. Procurement b. Fabrication c. Installation	3 months	R6m		Kieran Govender	065 997 7391
